Dear Senator Cantwell:

Could you please support the Senate Companion Bill to the Snoqualmie Pass Land Conveyance Act (HR 1285)?

As a frequent user of federal wilderness lands, this transfer is in the best interest of all our citizens and will allow the local fire districts to better serve all those that use the I-90 transportation corridor.

Dennis
Fenstermaker
Fire Chief

Sincerely,

A handwritten signature in cursive script that reads "Dennis Fenstermaker".
